Men of HBC,

Come along to a day of inspiration and learning and growing! Our Guest Speaker this year is Rob Coyle-National Director of Youth Dimension. Rob (as you may know as he is a keen member of HBC!) is a gifted communicator and will address topics that are relevant to our lives and roles as men in the world we live in.

There will be good food, and time to connect with others.

Don't miss this years Men's Conference, it will be fantastic!

And bring a friend-all welcome!

Rob Coyle is the Director of Youth Dimension, an inter-church youth organization, seeking to give secondary school students hope for the future.
